1. The board of directors accepted the recommendation of the RFA officer nominating committee to ask the current serving officer to serve one additional year. The recommendation was approved by the board and all current serving officers agreed to remain in office until the next annual meeting. This decision was made in consideration of actions necessitated by the coronavirus pandemic.
2. The board of directors approved the renewal of our annual contract for Constant Contact communications software. Constant Contact permits communications and timely announcements with all members of the retired faculty association.
3. The board of directors is considering holding the RFA annual fall social in October of 2020 if conditions permit. The planning is fluid at this time. We will post additional information via Constant Contact when available.
4. The ECU RFA membership in AROHE (Association of Retiree Organizations of Higher Education) was renewed for membership year 2020-2021.
5. The RFA board of directors currently have 12 members. We have received agreement to serve on the board from two additional retirees. The board has sixteen member positions so we have two positions vacant. We need assistance with our ECU webpage update and maintenance so if you have webpage skills, please consider serving on the board. You may contact the board via e-mail, [Her@ecu.edu](mailto:Her@ecu.edu).
6. For information: ECU RFA has a dedicated e-mail address on the ECU ITCS site. The address is: [Her@ecu.edu](mailto:Her@ecu.edu). If you wish to contact the Board or any board member, you may address your query to the RFA e-mail account. The account is checked frequently by designated members of the board who respond to the e-mail or forward it to another board member for action.
